INSTRUCTIONS TO PLACE YOUR PHOTO ORDER

Print this form, fill it out (this is a fillable form so you can fill it out and then print it) and then bring it to the photo session. *(No worries if you forget, I'll have extra copies)*

2025 Print Pricing:

8 x 10: \$20.00 each

5 x 7: \$15.00 each

Add a Digital Image:

If you order prints, you can add a **low-res digital file** for an additional **\$15.00**. This file is perfect for social media or your website but not for printing or large-format use (like banners).

How it Works:

After your session, a representative from your group will view the images on an iPad and **choose the favorite for printing**. There is a space for **Image #** on the form - that will be filled in once the selection is made.

Payment Options:

I accept **cash, checks** (made out to Sue Unleashed Photography), and **Venmo**. A **QR Code** for **Venmo** is on the order form for easy payment.

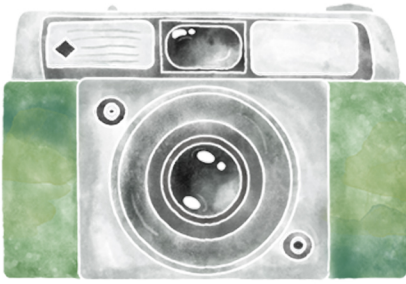

Delivery:

Your prints will be mailed **2 - 3 weeks after the event**.
